Dedication of the 2012 yearbook
to
Mrs. Michelle Harte and Family

In loving memory of Michelle Harte. Mrs. Harte passed away on October 15, 2011. She was an avid sports fan, loving teacher and most of all a wonderful mother and wife. Michelle graduated from West Rutland in 1988 and also was an elementary teacher, at West Rutland School for 19 years. Michelle was adored by all of her students and treated them as her own children. Michelle was an active community member helping with any type of event that got asked of her. Michelle loved attending school sporting events but most of all she loved attending events for her children. Whether it was sitting in freezing cold weather watching football and soccer, or if it was in the winter traveling in harsh weather watching her son play basketball and traveling all summer with club soccer, and AAU basketball. She loved visiting her brother in New Jersey, and watching her favorite college team Rutgers, where her brother is the athletic trainer. Laying out on the beach was another favored hobby of Michelle, but most of all her favorite thing to do was be with her family, that loved her so much. Even though it was so hard to lose her, we know that Mrs. Harte is in a better place and she will never will be forgotten.

Class Prophecy

It is now the year of 2022, the Class of 2012 is meeting at the Palms restaurant in Rutland, Vermont where their senior prom was held ten years ago.

The first to arrive is Nick Molaski, who is setting up his video game systems to show off his newest video game he created just for this special occasion. Next to follow is Justin Tuttle, rolling in his souped up z92 Chevy Silverado bragging about all the money he is making from being an electrician diagnostic technician here in New England.

Kortnie Smith comes running through the doors, thinking she's late, with her newest published book, papers to correct and lessons to plan considering she is the best elementary teacher and writer around. Spencer Moser is unable to attend due to being across the world building schools and teaching at them, but she sends her best wishes.

Next to arrive is Scarlett Notte, ready to show everyone what a great pre-school teacher she has become. Samantha Shambo, Charlie Breon, and Saryna Hier, along with their spouses walk in behind Scarlett. Sam is bragging about how many animal lives she has saved and all the money she has made becoming a vet technician in Montana. Charlie is going on about all of the positive work she has done for children all over New England, as a social worker. Saryna is talking about how she got her master's degree in special education and now is working in a local school.

Five minutes later, Tara Crandall comes dancing on in, showing the class her newest Zumba moves and trying to get everyone to dance. Brooke Cassidy is running through the door behind her, carrying all of her latest logos and graphic designs for companies like Adidas and Converse. She travels in her free time.

Jeff Dodds arrives in his all blacked out car and steps outs in his all black suit with his FBI badge on. He's been working undercover on some big cases lately but he still finds time to fly his bro's out to his huge bro pad on the ocean in Florida where all his nice cars, boats and jet ski's are.

Next, Jari Jasmin shows up in a brand new customized Ferrari. He has become a famous actor and stand up comedian. He still keeps up with his bros and dates the hottest models in the world. Following him are Emmitt Ackerman, Che Garcia and Kody McFarren. Emmitt is now the U.S. Men's National Team goalie and an astronaut on the side. Che is an officer in the Army in the Specials forces. He is making mad bank, investing his military pay in dope real estate. Kody, is in his nursing scrubs, for he just got done working at the hospital, he is now a nurse and a writer on the side after just getting out of the Navy. All of the boys still keep up with each other and now that they are back together, we're all in trouble!

All of a sudden we hear sirens, everyone runs outside to see Joey Kearney pulling up in his brand new cop car and Greg Ricketts following in his Burlington fire truck with his wife and three kids. Joey and Greg are escorting Nick Greene and Michael Washburn through the city and into the parking lot in their brand new black Mayback all decked out with a yellow interior and yellow rims, they have traveled over 3,000 miles to attend this reunion.

Katelyn Bania shows up with Caroline Wood creeping behind Amanda Harte. Kate finds Kody and greets him with a nice butt slap while Carol is already off hugging and catching up with Nick. She invites him to the opening reception of her new art gallery in the city. Amanda is now a nurse and married with a baby and Katelyn tells everyone that she is ten years into college still trying to figure out what to do.

Kayla Buckley and Katelyn FitzGerald come walking in together, as always, chatting about their health career jobs and their families. They have remained best friends and still hang out all the time.

Ben Grandchamp and Cayleen Eddings are the last to arrive, as always, Ben is late he is going on bragging about his successful business he has opened from his house and all the money he has been making from it. He has a very nice F650 to show for it too. As Cayleen walks behind him, she talks of her successful business from home and brags about her wonderful family and how happy and fulfilled they make her.

Now that the class has been reunited, it is time to catch up on old times and have some fun!

Unified Sports Team

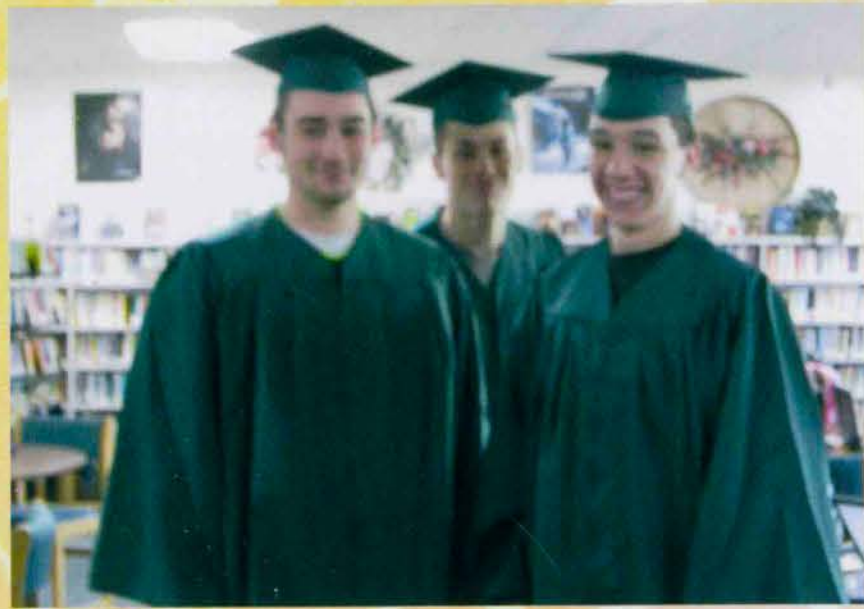

According to Special Olympics Vermont Website:

"Special Olympics Unified Sports brings together athletes with and without intellectual disabilities to train and compete on the same team. By pairing peers with and without disabilities on the same team, students are given the opportunity to build more inclusive schools. Unified Sports promotes equality on and off the field. The motto for Unified Sports is "On the field we're teammates and off the field we're friends".

At West Rutland we offer six Unified Sports competition experiences for our students. Students can compete in Bocce, Bowling, Basketball, Snowshoeing and Soccer.

Amanda,

We are so proud of how you
handled the challenges you
have faced the last 4 years.
All our love

Katelyn Suzanne Fitzgerald

We look at you on the day of your graduation, poised, ready, excited, and tentative – an accomplished young lady.

We know that you have worked hard; we know that you are determined to succeed, and we know that your future lies stretched out before you, a blank canvas ready for you to create your own masterpiece.

Your horizons are limitless, the possibilities immense, and the challenges, while assuredly there, are ready to be faced and conquered ... head on.

For this is how we have all come to know you throughout the years, steadfast in your resolve to achieve your goals ... despite the obstacles, honorable in your pursuit of your ideals, kind and empathetic in your dealings with others, and above all else... true to yourself and your family.

Our daughter ... we are proud of you, we love and admire you, and we will stand always beside you.

Congratulations on your Graduation Day!

All our love,

Mom & Bob

Spencer,

We're very proud of you and your accomplishments, and for the goals you have set for yourself!

We hope that you will strive hard to do your best in all that you do, continually stretching to meet your potential! Please remember who you are, and hold fast to your eternal perspective.

Love, Dad, Mom, and the Crew

To My CodyBear -- I have been truly blessed to have watched you grow: from the baby who was always giggling, talking, and on the move; to the little boy with the big voice, writing big stories with amazing drawings, and directing Beanie Baby plays --not to mention the most skilled Pokemon Master there ever was (I'd be you STILL know each & every character and their powers), into the extremely well-rounded and talented young man you've become -- I do believe that you can do anything you set your heart on.

Words cannot express how proud I am of all the accomplishments you've shared with us throughout your school years: whether as a team player or team leader or as the backup musician or lead singer, your morals, values, integrity, and big heart will continue to be a part of you wherever you go & whatever you choose to do!

Remember that although your roots are here in Westside may your branches reach up to the sky... Anchors Away!
Love, Mom

Kody, we are proud of all your accomplishments. You will go far in life with your leadership skills. Be Strong. Love Mel & Dad

Kody, I wish for you a bright and successful future; wherever your life leads you! Krisian

Good-bye DR. Ackerman!
